jQuery Photoshop Omnigraffle Illustrator
Interaction Design User Testing Mobile & Tablet
Product Concept Rapid Prototyping

Jun. 2009–Mar. 2010

Campaigns Graphic Design PHP Wordpress
Print Preflight Social Marketing

Career Focus

I am passionate about developing my skills in all aspects of **product design**. I believe that the best design results from an understanding of programming and the constraints of **current technology**, to actively participate in **pushing the limits** of what's possible.

Software

Photoshop	Illustrator
Omnigraffle	Invision
Sublime Text	Coda
Unix · *nix	Logic Pro
After Effects	InDesign
Camera RAW	QuarkXPress

Education

Academy of Art University

San Francisco, California

BFA, Web Design & New Media. Design program concentrated on user experience with human computer interaction topics and digital production techniques.

Sept. 2007–May 2012

Oregon State University

Corvallis, Oregon

Attended college courses in graphic design, film photography, and audio production. Awarded full scholarship to return to the program during the summer of 2007.

Aug. 2006, Aug. 2007

Studio Art Portfolio (AP Test)

Portland, Oregon

Created graphic design portfolio consisting of 29 pieces demonstrating quality, design concentration, and breadth of skill for scoring by AP board. Awarded 5 of 5.

Nov. 2006–May 2007

Lifestyle

I love traveling, yoga, Dr. Who, pretending I'm on Food Network, and jumping out of planes ✈.
